(Attn.: Mr. Sam AU)

Dear Sirs,

Approval of "Pegler" Stop Valves

Your letter dated 10 March 2009 refers.

Having considered the test reports by the Nutek Systems, Ltd., this Authority accepts that the fittings described below comply with, and their use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Pegler Yorkshire Group Ltd.

Country of Origin: U.K.

Brand: Pegler.

Details of Fittings: ½", ¾" and 1" Chrome plated brass ball valve (no internally applied metallic coating except for the internal ball) with female screwed ends to BS 21; pressure rating 25 bar; metallic plating on the internal ball complies with BS 7766.
Model No.: PB100.

Body Markings:

PEGLER SS
ENGLAND PN 25

(where SS denotes ½, ¾, or 1)

This Authority hereby permits the use of the above fittings in fresh water plumbing systems subject to full adherence to Waterworks installation requirements.

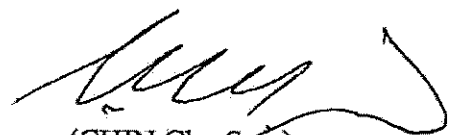

Acceptance Reference No. C20090028

Page: 1

A condition of this acceptance is that the fittings to be installed shall be replicas of the samples as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fittings installed fails to meet that of the approved samples or if the fittings are found to be unsuitable for use in fresh water plumbing systems.

For the use of the fittings in any project, the Acceptance Reference Number at the bottom of this letter must be quoted as a means of identification of acceptance of the fittings by this Authority.

Yours faithfully,

(CHIN Chu Sum)
for Water Authority

Dear Madam,

Approval of "PEGLER" Ball Valves

Your letter ref. P0078/AH dated 15 January 2010 refers.

Having considered the test reports by the Nutek Systems, Ltd., this Authority accepts that the fittings described below comply with, and their use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Pegler Yorkshire Group Ltd.

Country of Origin: U.K.

Brand: PEGLER.

Details of Fittings: 32mm(1 ¼"), 40mm(1½") and 50mm(2") Chrome plated brass ball valves (no internally applied metallic coating, except that of the internal ball to BS7766) with female screwed ends to BS21; pressure rating 25 Bar.
Model No.: PB100.

Body Markings:

PEGLER XX
ENGLAND PN25

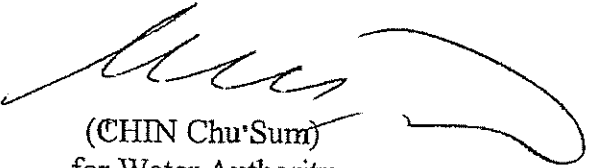

(where XX denotes 1¼, 1½ or 2)

This Authority hereby permits the use of the above fittings in fresh water plumbing systems subject to full adherence to Waterworks installation requirements.

A condition of this acceptance is that the fittings to be installed shall be replicas of the samples as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fittings installed fails to meet that of the approved samples or if the fittings are found to be unsuitable for use in fresh water plumbing systems.

For the use of the fittings in any project, the Acceptance Reference Number at the bottom of this letter must be quoted as a means of identification of acceptance of the fittings by this Authority.

Yours faithfully,

(CHIN Chu'Sum)
for Water Authority
